Description

Overview

Emaar Amaris is an eco-conscious residential project in Sector 62, Gurugram spread across 24,759 sq m (6.118 acres). Its 2, 3 and 4 BHK apartments form a GRIHA pre-certified development centred on sustainable living. More than 400 trees are planned along the periphery, while outdoor air purifiers and an EV charging point for every apartment are part of the design.

A 35,000 sq ft clubhouse brings together a reading lounge, restaurant and banquet hall. The grounds include a multi-sports arena, swimming pool and spaces for children, including play courts and a crèche. Rainwater harvesting, wastewater recycling and electric buggies are among the project's environmental features.
