About us :

Terracon Projects is incorporated in Bangalore with a vision to offer housing solution at affordable prices.

Terracon Projects commenced its operations under the inspiring leadership of our Proprietor, **Sri S.V.Babu** and a group of Professional Management team to maximize the customer's satisfaction.

Within stipulated period we have completed many successful projects, in which the customers are enjoying the benefits and appreciation, in all the projects constructed their houses & living peacefully.

Terracon Projects comes up with a new venture namely "**Sai Residency**" which is very close to NH7, Attibele, Bangalore South.

We are providing all kinds of modern and luxurious amenities, developed as per BMRDA Norms for an affordable price.
