

Created for people seeking a lifestyle far above the ordinary, Palm Village brings together the finest that nature and man can provide. Panoramic view, exceptional landscaping, stunning architectural design, world class amenities and luxury filled residences.

Located on Chandigarh Kharar state highway and close proximity to Chandigarh, Palm Village is situated in the midst of upcoming modern townships and largest mall. This convenient destination has everything from hospitals and schools, to shopping malls and offices just a drive away.

Standing 12 storeys tall, the towers of Palm village soar literally and metaphorically over every other building in the suburbs. With a contemporary international facade and design that make it a landmark.

Take your own exclusive place in a world of privilege. The best of everything is now at your command.

## Surrounded with style and luxury even before you step into your residence.

Everything about Palm Village signals a residence in a league of its own, especially its striking appearance.

Each elegant tower has an impressive entrance and landscape, with high-speed elevators standing ready to whisk you up to your residence, and exclusive.....

The simple, unfettered joy of playing outdoors with friends, with trees to climb, games to enjoy and pools to splash around in, is the best thing you can offer your children. Recreate your own joyous childhood experiences for your child, in the sprawling, imaginatively designed gardens. The best part of the two sprawling landscapes has been devoted in creating the magical garden of every child's dream, with flowers, mazes, floor games, pools and open spaces to run around. While herbs and flower gardens, quiet decks on lotus ponds, palm tree-lined avenues, a separate full-size pool and charming pavilions offer you an enchanting environment to relax, unwind and to catch up with friends.

- Three Acres of landscape garden
- Pavilions and sit out for the elderly
- Separate toddler (children's) area
- Palm garden with water bodies
- Mood lighting in landscaped area
- Automated irrigation
- Club house for rejuvenation
- Utility Shops with landscaped sit out areas
