The peak of excellence

SHIKHAR – The name says it all. And that’s precisely what your experience at Ackruti Shikhar will be like. An abode soaked in the finer conveniences to pamper and elevate your lifestyle. Palatial abodes marked with imposing classical elevations that’ll truly make you feel on top of the world. Come; experience the peak of excellence at Ackruti Shikhar.

The peak of comforts

The amenities at Ackruti Shikhar promise to give you a new high on life. Traditionally stylized exteriors, double height entrance lobby, High-speed intelligent elevators, power backup for common areas and lift, french windows, landscaped terraces. Some of the exceptional amenities that redefines higher living.

The peak of ergonomics

The interiors have been designed to suit your taste for finer living. Floors clad with the choicest vitrified tiles, private sun decks and a myriad of finest interior décors that’ll lift your spirits every time you come back home from the bustle of city life.

The peak of eco-compatibility

Caring about your planet and the environment is highly rewarding. Living at Ackruti Shikhar lets you live in harmony with nature. Rainwater Harvesting and use of recycled water are some of the contemporary natural techniques employed here to enhance living standards and care for the nature at the same time. Now move up in life, the greener way!
