

Blue Forest

A holistic fusion of forest & cosmopolitan life experience

Pent Houses at Blue Forest

The canvas is huge; the picture is detailed to perfection. Nestled comfortably penthouses are being built. The Blue Forest's penthouses are tucked away literally far from the maddening crowd, deep in the deciduous forests about thirty km from Jaipur, on the banks of the human created lake.

Penthouses will have spacious rooms embracing the resort are influenced by the Goan and Mediterranean architecture. Where residents of Blue Forest can enjoy urban lifestyle close to nature. All modern amenities and luxury which suits the modern lifestyle.

The residents of Blue Forest can choose from an array of penthouses almost all of which have a poolside view. Only approx 5.5% of total land area is being used to built penthouses. Rest Entire land is being used for common facilities.

The philosophy behind penthouses at Blue forest is to create comfortable homes for people using the best of technology, for an elegant lifestyle.

Penthouses are being built on the boundary of entire resort, which would give a tranquil view of entire resort while sitting in balcony. In entire resort we are building only fifty such penthouses to maintain uniqueness & beauty.

Every penthouse is a 600 sq. ft. built up structure which is enhanced up upto 10 ft height from ground level & completely made of wooden, it also has a 1600 sq. ft. piece of land covered by fancy wooden boundary to give you complete privacy.
