Dahisar East is the last suburb of Mumbai and hence the most distant from the town area. It is mainly a residential area with pockets of industrial units clustered in and around the ubiquitous industrial estates. In the east there is Dahisar Sports Federation that gives a chance to learn and play almost all the sports. There is D Mart and Thakur Mall with Thakur Fame theater. Though the Thakur Mall is in Thane distt, it is very close to Dahisar checknaka, and hence approachable to people. A nice quite suburb with many schools attached to Borivali on the one side and to Mira Road on the other. Apart from DSF, there is NL ground where there is a GYM and facilities for playing all the major sports.

Pros:

- Quite peaceful suburb
- Good for sports enthusiasts.
- Many schools
- Well connected

Cons:

- No job centres
- No major hospitals in Dahisar
