Satellite Developers Private Limited have been in the business of developing Mumbai real estate since 1970-71, and we could not be more proud of the fact that we are now inching closer to our half century in 2020. We believe that trust, transparency and confidence in delivery are the key drivers of value in real estate development due to the enormous risks that consumers have had to face while buying their dream homes in the past. We can do little more than point to our close to fifty years in existence and the 60 plus projects of 50 lac sq.ft. that we have successfully delivered to assure customers that the one thing that they can do while dealing with GS is rest easy.
