IVC road where sites are booked which belongs to health city. There is no much development compared to last visit in 2013. Don't know what is happening to PRR. People are telling it is on the anvil. We have to wait & watch.

Pros:

- *Presently looks it is a good investment.*

330 feet proposed intermediate ring road coming from Hoskote by passing through IVC road and connecting to Nelmangala. Financial Hub and 10000 acre IT Hub just 10 min drive from layout which is situated in IVC road. Asia's largest cargo which will be coming near to this location. This area should be a good investment option for near future.

Pros:

- *Good for investment option as of now*
