## Locality Reviews

Vashi, Navi Mumbai

Vashi is a node in Navi Mumbai, across the Thane Creek of the Arabian Sea. It is one of the first nodes developed by the City and Industrial Development Corporation (CIDCO) in Navi Mumbai township.

### Pros:

- *Close to the sea*

Posted: May 9, 2016 by Raju Pillai

Vashi is the oldest and most developed node of Navi Mumbai. It was developed way back in 1972. Ever since then it is growing. Real estate prices in Vashi vary from one sector to another. One main advantage of Vashi over other nodes is that it is nearest to the Mumbai Megapolis. Greatest advantage of Vashi lies in that it is excellently connected with Brihan Mumbai, Thane and Panvel through rail and road.

### Pros:

- *Availability of good shopping centers, stores, cinema halls, schools*
- *Good Location*
- *Transport facility*

Navi Mumbai is the city of the 21st Century. The main advantage over Mumbai that it is well planned, with wide roads and better quality of life. Though originally the CBD Belapur, (CBD = Central Business District), was envisaged as the main node, because of its proximity to Mumbai, Vashi Node has been the first to be populated.

Vashi is home to the best residences, malls, business parks, hospitals and educational institutions. Rich cultural diversity and open mindedness of people is a characteristic which Vashi has inherited just like any other node of Navi Mumbai. Roads connect at right angles at most places. The Iconic Palm Beach Road, connects Vashi to CBD has further added to the location advantage of Vashi, apart from being connected by National Highways at two sides.

### Pros:

- *Developed and Planned*
- *Sector 29 is the best residential sector*
- *Premium and Posh locality, Home to Shri Shankar Mahadevan,RJ Archana Pania other known personalities*

### Cons:

- *Expensive because of premium nature of locale*

Vashi is the most sought after commercial/residential node of Navi Mumbai. Very well connected and fully developed round the clock transport facilities. All medical, educational & recreational facilities are here. Above all, population is cosmopolitan & well spread out and menace of congestion is not there because of wide network of broad & parallel roads through this node.

### Pros:

- *Well developed medical facilities*
- *The best educational institutions*
- *Wide roads*

Vashi is the heart of Navi Mumbai. It is a central place for all the shopping, entertainment and sports. It acts as a nerve center for Navi Mumbai.

### Pros:

- *Vashi Railway station*
- *Integrated with shopping, movies and restaurants.*
- *Well connected with Bus & trains to all parts of Mumbai.*
