Locality Reviews

RT Nagar, Bangalore

From a small development that had no roads or other facilities in the 80s, RT Nagar and specifically P&T Colony have blossomed into a much sought after address in Bangalore. Still quiet and clean, P&T Colony offers the best of both worlds - facilities and advantages of the Central Business District and peace.

Pros:

- Extremely well developed
- Schools, restaurants, banks, super markets available
- Cavery water

RT nagar is good locality to live geeen.It is good area to live for all types of people.It is good area for elderly also.many schools and hospitals are nearby.

Pros:

- Good roads
- Good green parks
- Good location for all aminities

Cons:

- No big super market

RT Nagar is a well developed locality which is only 4-5 km from the CBD. the layouts are planned well with good roads. It is well connected to all the major areas of Bangalore. it can be accessed by more than 3 different roads and that makes a great relief for commuters. it is connected to the international airport via bellary road and other major hospitals and schools are within the radius of 8 km.

Pros:

- good connectivity
- reasonable land prices

Cons:

- no good mall yet
