## Locality Reviews

Vangani, Thane

Vangani is a picturesque town in Maharashtra, India near the city of Mumbai. It is serviced by the Vangani railway station on the Central Line of the Mumbai Suburban Railway on the Mumbai-Karjat route and the highway which connects it with the main stream of Mumbai. It has a beautiful river flowing nearby and a sprouting developing spices and agriculture industry. The engineering colleges in the region is the mirror of the fast development in the Badlapur-Vangani belt. The development of residential plots and sprouting of exotic indigenously built complexes give a old townside the look of a emerging heavy weight in residential as well as industrial and educational forefront. Coupled with a strong educated populace of Badlapur and vast unused spaces in Vangani, the region may result in dynamic explosion of development which may eclipse other emerging suburbs in the central side.

#### Pros:

- *Engineering colleges*
- *Builder development*
- *Upcoming residential as well as industrial and educational town*
