Hennur road is one of the fastest growing areas in Bangalore and within 3 years the area will be well developed. The appreciation rate of the area will be 15% a year as estimated by financial advisers. The connectivity to major areas is no concern as the outer ring road is near by which connects all the areas like Indira Nagar , M G road, Hebbal. It is on the route to International airport and the development of KIADB (Karnataka industrial area development board) have land of 6300 acre for hardware and software park, some companies like Wipro, Tyco, Beml etc. companies in the same road. So till now the best place to invest.

Pros:

- *Good connectivity*

- Many schools and colleges on the main road
- World class infrastructure development in the area
- Appreciation rate of the area will be 15% a year as estimated by financial advisers
