## Locality Reviews

Kaloor, Ernakulam

Heart of the city. Metro station, Railway station, colleges, hospitals, schools are nearby.

#### Pros:

- Business location

#### Cons:

- Crowded

Posted: Sep 24 by Gireesh Kaloor

Kaloor is a very prime location in Kochi. Even though right in the heart of the city, this place has the calm, quiet, peaceful, greener, fresh air, secure, away from the hustle-bustle of the city. Yet every modern amenities are near to be reached for. A fantastic area to live in. We are too much into moving around our own high society crowd, so we are away from the dwelling neighbours around us. All the facilities are available in this locality

#### Pros:

- Prime location where everything is nearby

Kaloor is on the heart of the city. With so much of developments that has happened, investment in property in kaloor is the best. It is closest to Palarivattom and Edappaly. Making it closer to all the malls and markets in the city. Buying apartments in Kaloor is ideal.

#### Pros:

- Near to upcoming metro station
- Near to developed cities like Palarivattom, Edappally etc.
- Ideal for business investments and to buy plots or apartments.

#### Cons:

- Being on the heart of the city and with so much developments makes this place a little expensive.
