Description

It is an idea whose time has come! **Ansal HIGHWAY Plaza** is a path breaking concept in the Indian retail arena, that caters to the needs and benefits of an ever burgeoning segment of Indian families who are cash-rich, own vehicles and hit the highway for frequent vacations.

Conceived as a series of plazas strategically located on key national highway routes, Ansal HIGHWAY Plaza is planned to attract high return consumers - from everyday highway commuters. This is planned through single-point provision of a host of facilities and services, which include a shopping arcade that offers big brands at great value; a multiplex providing fun and entertainment thrills; a large food court serving hygienic food of reputed chains, motel, wash rooms, ATMs and much more.

Planned on a magnitude that compares with the best city malls, Ansal HIGHWAY Plaza offers retail/ service brands the following:-

An opportunity to get a head start in capturing a fast emerging market segment.

The advantage of meeting consumers in clutterfree, relaxed environment, far from the maddening city.

The promise of more brand visibility, reach and recall.

Ansal Highway Plaza is a part of the 400 acres(approx.) integrated township, Sushant City, whose residents will constitute a large share of Mall's consumer traffic.
