Uttarahalli is one of Bengaluru's fastest-developing localities in the south-eastern part and has been giving impressive average annual returns in the realty sector. Uttarahalli currently has more than 50-60 projects under construction and lies near areas like JP Nagar in the east and Banashankari in the north. Out of the various options available when it comes to apartments in Uttarahalli, 2 and 3-BHK are mostly preferred by the investors.

The current price trends in Uttarahalli, coupled with upcoming metro connectivity, should spur future appreciation. Social infrastructure is rapidly developing here and several major business hubs are well connected to the area, as well. However, there are still some poor and ill-maintained roads in some stretches.

Pros:

- *Easy Connectivity*
- *IT Hubs*
- *Extension of the Namma Metro service*
