Locality Reviews

Indraprastha Extn, New Delhi

Indraprastha Extension is located in Delhi East. In my perspective this is one of the best place to settle in delhi.

As per daily life rule this locality has a best view.! People around here are good, neighbourhood matters the most while you search home for yourself. The Apartment here are so good and well maintained, all the facilities and highly secured place. Investing money buying here property will be your best experience. The more development taking place and the more price is going to be.
