Description

SJR Builders, is an extensive marketing, legal and administrative team. Training, new skills improvement, cross-functional experiences, an in-depth understanding of real-estate and open-ended learning are HR tenets that drive the SJR management ethos. A new and dynamic customer service system has also been set up to look into suggestions and complaints by owners of SJR apartments in Bangalore and promptly resolve any issues, however small they may seem to be.

SJR Brooklyn is not just a great place to live in; it's also great value. Value that is driven by our expertise, our quality and our commitment to deliver on time. After all, life is all about promises! While conceiving SJR Brooklyn, we took three things into consideration. First, that we today live in a fast-paced, neo-global, multi-cultural society. Second, that to invest in a home you need to be certain that it will be one that you enjoy and your children cherish - always. Third, the fact that you value the idea of being able to live comfortably, with all the privacy and space you could possibly desire. That's why SJR Brooklyn is planned in such a way that it brings together the good things in life, along with a distinctiveness that is global, modern and stylish.
