Jagatpura, Jaipur

Choosing the best place to live in Jaipur for families can be a daunting task, as there are several factors that need to be considered before making a decision. Here are some key factors that families should consider when deciding where to live in Jagatpura, Jaipur:

1. Safety and Security: Safety and security are crucial factors that families should consider when deciding where to live. Look for areas with low crime rates, good lighting, and 24-hour security. Jagatpura is apparently the safest with few to none cases of crime, illegal land trading, drug selling etc.
2. Education: Quality education is a top priority for families, so it is important to research the availability of good schools in the area. Look for schools that offer a good curriculum, experienced faculty, and good infrastructure. Jagatpura offers finest educational institutions from top schools to large universities and upcoming education hub is going to change the face of the locality much better.
3. Healthcare: Access to good healthcare is important for families, so it is important to look for areas with good hospitals, clinics, and healthcare facilities. Hospitals like Bombay hospital, Narayana hrudalaya among various others, Jagatpura offers exceptionally good healthcare institutes in just few kilometers.
4. Transportation: Easy access to transportation is important for families, so look for areas with good public transportation, good road networks, and proximity to major highways. Mahal Road in Jagatpura is connected with all parts of the city via public transport; cabs are available easily and at peak hours and the width of the wide roads ensure no traffic jams or water clogging at time of the year.
5. Recreation: It is important for families to have access to recreational facilities such as parks, playgrounds, and community centers. Look for areas with ample green spaces and recreational facilities. The Govt. of Rajasthan recently announced to develop a massive 100 acre park in Jagatpura near goner and it will raise the bar for any other locality to match with greenery and recreational activities as compared to Jagatpura.
6. Cost of Living: The cost of living varies from city to city in India, so it is important to consider the cost of housing, food, transportation, and other expenses when choosing a place to live. The average cost per square feet in Jagatpura ranges from Rs.3500 PSF – Rs. 7000 PSF depending on the location and
