Chakan is upcoming and one of the fastest growing automobile hub in India. Lot many OEMs are working here like Mercedes, Mahindra, Volkswagen, Bajaj, etc. There is huge demand for Industrial Sheds on rent/lease here. The current rates for Industrial shed on rent in Chakan is Rs.22 to Rs. 26 per sq.ft. Industrial Sheds are usually available with all facilities & amenities. In the month of Jan & Feb 2013 the demands for Industrial shed/Factory on rent/lease had dropped down. But in this month i.e May 2013, the demand has cropped up. There are positive vibrations in industry to setup new unit/plant in Chakan MIDC.

Pros:

- *Availability of skilled manpower*
- *Proximity to Airport/Port/Mumbai/National Highways*
- *Many OEMs are located in Chakan*

Cons:

- *Land rates are on higher side*
