Description

Morepen Laboratories as a 'wilful defaulter' develop a new branded palace. The drug firm's corporate debt restructuring (CDR) plan, which was discussed at a meeting on Tuesday, did not get clearance from the lenders. The company's exposure to banks is to the tune of Rs 750 crore. Even if one lender categories the account as a wilful defaulter, the lenders cannot restructure the account through CDR. Going by the Reserve Bank of India (RBI) definition, when a borrower does not repay the lender despite having the capacity, it becomes a defaulter. Besides, fund diversion and siphoning off funds also constitute wilful default.

Sri Krishna Vikas is located at Thaneer Pandal on Vilankurichi road near GRG school, in close proximity to Tidel park within Coimbatore corporation limits. The apartments are a single-block structure consisting of just 20 flats, diligently designed by expert architects to be both compact and elegant. We have kept vaasthu in focus. This, with the fusion of beauty and utility, is sure to gladden the gods and please the people. The structure sits serenely in a tranquil, meditative atmosphere, and yet the main road is hardly half a kilometer away. It is bound to be a sought-after location. The fact that it is only a stone's throw from Tidel park speaks for itself. Several mills and factories on Avinashi road are within a short distance.
