Locality Reviews

Knowledge Park 5, Greater Noida

Knowledge park 5 (KP-5) is a fast upcoming locality in Noida extension. I could see 2 nos of schools Aster public school and Delhi Wonder Public school are already functional. Corporate group M/s GATI already operates a major ware house and distribution center. In one of the commercial complex of Imperia structures Ltd. they have made office space and residential spaces (1 bhk and 2 bhk) within the same complex. Employees can just walk from home to their office and save a lot of time (usually a person in Delhi- NCR spends 2-3 hrs per day in commuting everyday). I personally like this home 2 office concept. I could also see several residential flats already occupied. I also saw the BSF IG HQ functional and BSF quarters already occupied. Construction activities are going on in full swing in all of the KP-5 area. KP- 5 being just 17 kms from the Eastern Periherial Expressway, the area is going to witness a massive boom in economic activities in next 1 yrs as the economy is resuming after covid. The place is now well connected with Cab services like OLA and UBER which was missing/infrequent two year back. Needless to say Noida is so green and clean and absolutely no traffic Jam (Just feels like driving in Dubai!!)

Pros:

- Great locality, lot of people living in residential flats
- Grean clean and no traffic
- So near to Eastern Periherial Expressway

Cons:

- Nil

Knowledge Park 5 is one of the dedicated Corporate-Education Sectors in Greater Noida. It is located on Gaur Chowk - Surajpur Road and is approximate 1,000 Acres in size. There are around 470 Corporate planned within this sector out of which 112 belong to Education Industry. KP5 is well connected with Ghaziabad, Noida, Delhi and Faridabad by roads and will also be the Terminal Station of Metro Rail on Blue Line after 2020 (next phase).

Pros:

- Corporate Hub with many Multi-National Companies
- Educational Hub with all Top Schools and Colleges
- Well Connected with Delhi, Ghaziabad, Noida and Faridabad

Cons:

- Many Projects are still under construction, so sector is bit dirty.
- Buses not yet started, Auto-rickshaw are easily available.
- Electricity Supply is 18-20 hours only.
