Description

Gaur City was envisaged by Mr Manoj Gaur with a concept of walk to school, walk to work and walk to play where each resident will have an access to all important places at a walking distance within the city itself. Today, that dream has taken shape and the Integrated Smart City, Gaur City is the first to get the completion certificate and the first to give possession in Greater Noida (West).

With a unique blend of excellent location, budget friendly pricing and amazing infrastructure, Gaur City has a lot to offer. The township is certified by the Indian Green Building Council (IGBC) and its master plan has been designed by the renowned Singapore based consultant.

Not only this, the township takes care of all the daily needs of a resident right from grocery stores to vegetable and daily need stores, from creche/play schools to a CBSE affiliated Gaurs International School, restaurants, petrol stations, upcoming Gaur City Mall with a 9-screen multiplex, the impressive Radha Krishna Temple and everything else that a resident would need from a modern dwelling.
