### Description

**B. G. Shirke Construction Technology Private Limited (BGSCTPL)**, formerly known as B. G. Shirke & Company, was established in 1944 by its Founder Chairman, Mr. B. G. Shirke. It is a multi-disciplinary civil, mechanical and electrical engineering organization having international technology tie-ups and over 12,000 workforce. It is a vibrant, dynamic and integral part of modern India, significantly contributing to industrial, economic and social progress. It also plays an active role in protecting and preserving the country's Eco-systems – its forests and waterways. Company is well established in the civil engineering field for over 65 years. The Mission to Industrialize Civil Engineering – in the gigantic effort to provide affordable, high quality mass housing – has already been achieved with Herculean efforts and unique unflinching dedication. It is endeavoring to spread and entrench Industrialized Civil Engineering Technology throughout the country for the good of all. It also pioneered and patented the '3-S' system in India – a system using partial Pre-cast structural components, such as dense concrete hollow core columns, dense concrete partially Pre-cast beams, lintels, staircases, etc., and Siporex blocks and slabs to achieve strength, safety and speed. It has also expertise in design, fabricate and erection all types of heavy steel structures, shuttering and centering. Our mission to Industrialize Civil Engineering – in the gigantic effort to provide affordable, high quality mass housing – has now been achieved. Shirke Group is endeavoring to spread and entrench Industrialized Civil Engineering Technology throughout the country.
