Locality Reviews

Tonk Road area, Jaipur

Tonk road is so developed in present time. Many colleges are also situated at there. Some IT companies and textiles company are also there. I prefer that student can easily buy flat at there in minimum installment. They pay rent for there PG so why don't they buy a flat of the same amount which they are giving on there rent.

Pros:

- Many colleges are there
- IT COMPANIES AND TEXTILE COMPANIES ARE ALSO THERE
- Returns are high in future

Cons:

- Pollution is more

Tonk road is highly acclaimed property destination in the vicinity of Jaipur City. Its is around 20 Km from Jaipur Junction and 17 km from Gandhinagar Railway Station. Chokhi Dhani, the famous restaurant is in this area. Many builders have flocked to this area and developed area to some extent, of course lessor than Ajmer Road area. But I find this localization very appealing in terms of future development and planned Airport (Master Plan 2025) in this area. Highly approachable and most likely will witness price appreciation in a couple of years from now

Pros:

- Approachable Location

- Reasonable Rates than other locations currently
- Airport Coming up as per Master Plan 2025

Cons:

- High Inventory of Plots
- Less Residential activity at outskirts
