Locality Reviews

Sector 70, Faridabad

Sector 70 is the Residential Sector growing at a very fast pace. Its the next sector to Sector 02, where the prices are very high comparatively. Its the first sector when we entre into the 1888 Acres large IMT Faridabad. So, the growth chancing are already very high because of development of IMT Faridabad

Pros:

- Better connectivity from main Faridabad and Ballabhgarh
- Rental values will be better because of IMT Faridabad
- Better Infrastructure like wide roads, power supply, better sewer systems, water supply, STP etc.

Cons:

- Very less occupancy currently.
- Government is currently working on remaining Infrastructure
