Locality Reviews

Babatpur, Varanasi

This plot which is adjacent to Babatpur and is also very close to Babatpur railway station, in the coming future, the rate of this land will increase two times because all the central government projects are coming towards Babatpur on this road, so in this The growth of whoever can do the property will be very fast. Please see the property once. Thank you.

Pros:

- *Best location*

Cons:

- *No*

Babatpur is growing in a steady way so the rates of any property here especially on NH 56 or on link roads attached to it is getting higher and higher in every month. So it is point of attraction for any investor, dealers and individuals. Rate of property is no doubt double and triple at main road (i.e. NH 56) but there is risk of loss due to government projects for broadening of NH 56.

Pros:

- *Best Location*
- *Good Connectivity*
