Locality Reviews

Tonk Road area, Jaipur

Tonk road is highly acclaimed property destination in the vicinity of Jaipur City.

Its is around 20 Km from Jaipur Junction and 17 km from Gandhinagar Railway Station. Chokhi Dhani, the famous restaurant is in this area. Many builders have flocked to this area and developed area to some extent, of course lessor than Ajmer Road area. But I find this localization very appealing in terms of future development and planned Airport (Master Plan 2025) in this area. Highly approachable and most likely will witness price appreciation in a couple of years from now

Pros:

- *Approachable Location*
- *Reasonable Rates than other locations currently*
- *Airport Coming up as per Master Plan 2025*

Cons:

- *High Inventory of Plots*
- *Less Residential activity at outskirts*
