Locality Reviews

Kolshet Road area, Thane

Kolshet Road is in Thane nearby Majiwada Juciton of 2 KM distance and rapidly developing with high rise constructions on this locality. Lodha Group, Kalpataru group, Wadhwa group and key developer are there with township projects and in future it would be good place for living. very cool and calm environment at kolshet road due to lots of trees and green cover. Thane Creek is just beside. Ail quality index is good for livable. Kolshet road is well connected to Ghodbundar Road, and rates are good for under-construction project here. Metro will be game changer for kolshet road residents and will connect Mumbai and thane easily.

Pros:

- Rapidly developing area, most of the township projects are launched and under-construction
- lot of trees and green cover so Good AQI - Air quality index - Pure air
- livable area, affordable rates for homes
