Lake town is one of the best place in Kolkata to live. It is a very practical and convenient place to live.

Pros:

- all amenities available

Cons:

- people tend to think it is middle class locality

Laketown is now a established locality along the course of VIP Road. It has developed into a mini township of its own with all basic infrastructure like housing, roads, Transport, schools, Nursing homes, Malls, Parks, Swimming pool, Societies, Cultural Organization etc. An upcoming Clock tower on its Vip entry. Canal have been beautifully modified into a relaxation and walking trail.

Pros:

- All basic & modern amenities around you.
- Good connectivity
