From being the pioneers in the Hire Purchase and Leasing business, the MGF Developments today is making a difference in Real Estate Development and Automobiles Distribution ventures across India.

MGF Mega City Mall has received an over-whelming response from customers. Located in Gurgaon with a total salable area of about 2,00,000 sq ft. The youngest of all shopping malls in Gurgaon, this shopping mall is from MGF builders the same who have erected MGF Metropolitan. This one appears to be small in size as compared to MGF Metropolitan mall but has some most reputed stores of India. CTC Plaza and Spencers Hyper are the two most famous brands who have started operations from Mega City mall. The best part of Mega City mall is its central space inside and a fully operational Food Factory. The main attraction of Mega city mall is CTC Plaza and the recently opened Spencers Hyper retail store. The opening of Spencers Hyper store was an event in itself. This would remain a major attraction of this mall and would pull more buyers than any other store in Mega City.
