## Locality Reviews

Jigani, Bangalore

Jigani is a industrial town of karnataka. And near to all iits, and hospitals, well known schools, colleges, and bus connecting to all the parts of bangalore,

**Pros:**

- *WATER SOURCE IS GOOD*

**Cons:**

- *still developing*

Posted: May 22, 2017 by [Nanda kumar \(Aashrithaa Property\)](#)

Jigani is located in South Bangalore and has shown tremendous improvement in recent times. Located along the State Highway 87 and National Highway 7, Jigani is situated near important hubs in Bangalore such as, Bannerghatta, Electronic city and Bommasandra. The growth of infrastructure has also been commendable in this area. Despite the higher growth witnessed in this area, prices are still comparatively lower than other parts of Bangalore, indicating further potential for growth. This can therefore be a good area for land investment for investors, keeping in mind proximity to important locations, good infrastructure and relatively lower current prices & proposed developments around.

**Pros:**

- *Near to Ring Road*
- *Well Planned Area*
- *Good connectivity*
