Sanand is the the richest village in Ahmedabad. When TATA Nano launched the plant the rates of the land where booming too fast. Mainly its located in West Ahmedabad towards the Viramgham Highway. It connects with the six lane road and the famous tourist place Nalsarovar. Due to the industrial development and tourist places, the land rates are going up and up. This six lane road goes till Mundra port which is the main benefit for the export industries.

Pros:

- Well connected
- Good farm house schemes
- Industrial land on six lane road

Cons:

- Rates are very high
