Description

Supertech : a groundbreaking legacy of over 20 years, Supertech is constantly changing the face of the Indian real estate industry. The group has already converted more than 33 million sq-ft of land into world-class commercial and residential projects, fulfilling the needs of millions of customers across India. Today, Supertech stands out in the industry, with several landmark projects in the pipeline. The core reason for this success is our unwavering commitment to adopting the latest engineering techniques, producing innovative designs and delivering on time and to the highest quality. We are recognised as a reliable and dynamic partner, on a par with the international best. After building several landmarks in the NCR region, we have now expanded our footprints to other cities. This drive towards excellence has earned us several accolades, including the coveted 'Udyog Ratan Award' and the 'Business Excellency Award'.

SuperNova : is forthcoming elite class township of Supertech Group sited at sector 94 in Noida. The elevation of the tower is 300 meters, which is projected to be the highest structure of north India. The development is spread over large land area of 17 acres to offer utmost open space for refreshing air and rich sunlight. The township of Supertech Super Nova includes two luxury hotels, premium and luxury retail brands, offices, serviced apartments, and luxury residences. Further, the Supertech SuperNova is located at ideal vicinity from where one can get close immediacy to south Delhi, Indira Gandhi International Airport, Rajiv Chowk Metro Station, Apollo Hospital at Mathura Road in Delhi, Botanical Garden Metro Station, Noida Film City, Greater Noida Expressway, and many other strategic places. In addition, the development is being planned by world prominent architects and consultants to present you high excellence and long-lasting designs. Supertech SuperNova is sited at the locality from where one can get exceptional sight of Noida Bird Sanctuary. The development is going to set a point of reference in the history of real estate development industry.
