Project Reviews

Provident The Tree

Firstly, let me address the construction of the buildings, with the use of premium brands for the fixtures and interiors... The quality is good with children's play area, a fully-equipped clubhouse and great connectivity to the city centre.

Secondly, let me address what you can expect besides a good apartment. It is very peaceful and serene out here! With a meditation pavilion which I make use of every single day since we moved in. I just love being outdoors. It's just the best here at The Tree.

Pros:

- *nature friendly*
