Project Reviews

Krasa Centrade Business Park

Krasa Centrade Business Park Builder is really a cheapsters and scamsters. No construction work happening for last 2 years and selling projects & continuously duping innocent customers. Stay away from this builder and at any cost please don't invest in this project. I myself is suffering on this project so far not received the MOU and papers.

Cons:

- Everything they say is a lie and stay away from this builder

It is centrade business park is developed by the krasa international group that promoted by Maharaja white-line, it's a comb pack of business, entertainment and sports.

Pros:

- Its a first combo pack project in noida and double height shop
- Near noida-greater noida expressway
- Surrounding residential hub

Krasa Centrade Business Park is a small deliverable well planned project which is located considering the future development.

Pros:

- Fully Air Conditioned project
- Located near proposed Metro, ISBT, Residential area etc.
- Food Court (Flavour) is the USP of the project

Cons:

- Too many things in one place.
