Locality Reviews

Ujjain Road area, Indore

Indore Ujjain Highway has 4 Line Roads & it converts to 6 Line Highway (already proposed).

Its very near to super corridor (TCS, Infosys) & will have various development opportunities in future.

Ujjain Mahakumbh (every 12yrs) will givenwings to development of this road.

Its one of the best location to invest in Indore as it have very low trices till date which results in goof return after few years.

Pros:

- Nearby Transportation Facility (Road/Railway/airport)
- Ujjain Mahakumbh in 12 yrs (developed in every 12 yrs)
- 6 Line Highway , Education Belt, Employment Belt

Cons:

- a few km out of city
