MVL The Palms News

Expert Reviews on MVL The Palms

As a property consultant, in my view The Palm project is a good investment, because it is situated on main **Alwar Road** and also near to Khushkheda Industrial Area. A proposed DMIC is just close to this project and proposed Metro station is just 200 meters ahead of the site.

So I suggest to all investors and end users to book now to get best premiums.

Pros:

- *All the important amenities are very close to this site*
- *Rates are good for investment as per market*
- *Located on main Alwar Road*

Cons:

- *Some issues for investors in MVL Coral, they are suffering from non transfer problem.*
