Guindy is a strategically located, well connected, and well served location in the city of Chennai. Many multi-national companies have established their office in Guindy among the many high rise commercial complexes that dot the Guindy skyline. Guindy is also an important IT hub, as it has quite a few medium and large software parks accommodating more than hundred companies in the IT and ITES space. Guindy is well connected by rail and road, with Metro rail too commencing services shortly. The Airport too is less than seven km from Guindy.

Pros

- Centrally located, well connected/linked to various transportation networks
- Guindy is an important IT hub and has many multinational companies

Cons

- Congested, chaotic, mainly due to Metro Rail construction happening
- Not too many quality restaurants in the locality
