Pallavaram station serves the dwellers of this community well. Even if the house is not situated at a walking distance from the station, regular buses and the small buses connect the adjoining localities well with Pallavaram station. Quick excess to airport is another big advantage. As there is almost no traffic in the route most of the times, at times of emergencies the airport is accessible in 15 minutes.

Pros:

- *Community life*
- *Well-connected with other areas of Chennai*
- *Cheap*

Cons:

- *Far away from Central Chennai*
