One of the best growing localities in chennai. It has recently developed a lot. Velachery sub-urban railway station is nearby only and the famous Kamakshi multi-speciality hospital is also very near by. There are a lot of multi - cuisince restaurants have come up in this locality , there are automobile showrooms which also started very recently. The pallavaram - thoraipakkam radial road is just neayby only. This radial is a long road probably about 10 - 14 kms connecting GST and the IT Hub of chennai OMR

Pros:

- velachery station

Cons:

- pallavaram marsh land
