Locality Reviews

Sector Alpha II, Greater Noida

The area has developed into a better residential area to stay in greater noida. The market (alpha 2) offers the availability of almost all the stuff you require. The area is on a walking distance from upcoming metro station, so that would be additional point for the residents.

Pros:

- A lot of students stay here.
- Availability of transport and accessibility to other areas is easy.

Cons:

- Since its a residential complex, you cant expect a full proof security like a society based complex
