Return on Investment in New Mahabaleshwar. The Government's long term perspective and Infrastructure Development New Mahabaleshwar stands to benefit from this plan since it is located in the central part of hill station and it is already seeing development in this region. According to Experts, Mumbai - Pune and overseas (NRI) money already making triple digit growth here. Due to heavy demand already second home buyers and Investors have investments here. Within 4 years' time your money here will give you more Appreciation than what you expect.

Pros:

- Maharashtra Govt Approved Hill Station
- Surrounded by the mountain chain of the Western Ghats

Posted: Oct 14, 2015 by [Acreages Inc \(Acreages India\)](#)

Located near the cosmopolitan hubs Mumbai and Pune in Maharashtra, Mahabaleshwar is a picturesque hilly resort in the lap of majestic mountain range of Western Ghats. Mahabaleshwar is blessed with pleasant climate and offers delightful views and invigorating ambiance. Mahabaleshwar is almost shut during monsoons as it receives heavy rainfalls and to ward off the damage from the torrential rains the buildings here are clad with 'kulum' grass. However the reward after the rains is simply breathtaking lush green landscape

Cons:

- the transport is very expensive. public transport not gud
