Sahakarnagar is locality at the edge of flowing and well connected road to KIAirport. This area is well developed for schools, hospitals, DAY TO DAY shopping for vegetable, grocery, household, fashion etc. All possible brands and brand stores are walk able distance. Great line up of eateries from darshinis to fine-dine, upmarket wine dine restaurants, cake shops, fast food joints. Well connected with public transport with great connection for BMTS / BTS, interstate buses, taxis, exit to airport and proximity to railway. Will be soon connected through METRO. All high end and basic hospitals are walk able distance. Schools / Kindergartens are plenty and at walk able distance.

Pros:

- *Well sufficient living with proximity - Extremely safe locality*
- *No need to travel to other parts of town for any requirement*
- *Good for dependency on public and private transport*

Cons:

- *Passage to many other areas in Yellahanka. Connectivity brings flow of traffic*
