### Description

**Concorde Group** since its establishment in 1998, is on the forefront of real estate industry with their marvelous constructions which mark both innovation and quality in construction. The group carved an enviable niche for itself in the real estate arena by constructions of villas and apartments which transformed into a new breed of builders. The group is dedicated to offer great quality of living spaces at extremely competitive prices. They strictly follow quality consciousness in every aspect and stage of their construction cycle, right from project conception, through execution and delivery.

**Concorde Wind Rush** is an ongoing project of Concorde Group. Its notable location at the heart of Electronic City is well developed area that can provide all facilities at disposal. The homes at the city provide easy access to all needs and wants of all. The project is enough away from the city to keep away all hustles and bustles of the city life. The home is well set in a place where peace of mind and calmness of body is assured.
