Expert Reviews on Precision Soho Tower

Precision Soho Tower Investors beware!! Do not invest in this property. I have invested in this property. They have not been paying the quarterly payments. Numerous reminders have fallen on deaf ears. They will take your money and forget about you. The project has been delayed way beyond its scheduled completion and have still not given possession. This is a failed project and investing money in this will be bidding goodbye to your hard earned money.

Cons:

- Fraud company.
- Project delayed
