Hosa Road is near to Karthik enclave which is 700 m from main road. It is an inimitable residential venture coming up in a strategic location like Nagnathpur Junction(known as Central Jail Junction also), on the way to Electronic City. 5 km from Silk board. With a good proximity to Bannerghatta road and Sarjapur road.

Pros:

Hosa Road offers good connectivity for business people, ie, people who travel daily from Sarjapur road to Electronic city. So this is a short cut route either way. Apart from that it is an upcoming area with lots of houses and commercial establishments.

Pros:

- The locality is adjacent to HSR Layout extension and just a walkable distance to Harlur
- Well connected
- Upcoming area

Cons:

- Not much of commercial shop facilities available such as gas agency, electrical service shops etc.
