Hosa Road is near to Karthik enclave which is 700 m from main road. It is an inimitable residential venture coming up in a strategic location like Nagnathpur Junction(known as Central Jail Junction also), on the way to Electronic City. 5 km from Silk board. With a good proximity to Bannerghatta road and Sarjapur road.

**Pros:**

- Quick drive to Forum Mall, Big Bazaar and Medical facilities

Hosa Road offers good connectivity for business people, ie, people who travel daily from Sarjapur road to Electronic city. So this is a short cut route either way. Apart from that it is an upcoming area with lots of houses and commercial establishments.

**Pros:**

- The locality is adjacent to HSR Layout extension and just a walkable distance to Harlur
- Well connected
- Upcoming area

**Cons:**

- Not much of commercial shop facilities available such as gas agency, electrical service shops etc.
