Murbad is a fast developing town in Thane district in Maharashtra near Thane and Karjat. Murbad is an industrial town with private and MIDC industries are running successful. As Murbad is near Mumbai lots of second homes, Bungalows and NA Plots township and projects are coming up in Murbad, Murbad-karjat highway is also in demand as it connects Nashik and Pune and lots of Engineering and Medical colleges are coming up near Murbad.

Places to visit in Murbad-

Gorakhgad, Siddhagad, Naneghat, Harichandra Gad, Malshej Ghats, Titwala Ganesh Temple, It is right time for investors to invest in Murbad area in NA Plots as it is just 75 kms from Mumbai...

Destination Murbad – A small beautiful city well connected by road network from the nearest big city of Thane. The place is full of greenery and cool air. The scenic beauty of the place is a sight to behold. It is just 18Kms from Kalyan. It is good investment and second home place for the person desirous of making money and equally interested in having his weekend homes. The proposal to connect Murbad by rail network is under serious consideration, once the announcement is made the property prices will zoom up just as it happened when Airport proposal was declared for Navi Mumbai. Murbad is well known for its annual Mhasa village festival which is one of the biggest in the state of Maharashtra. Now since it's a virgin territory under hectic infrastructure push, this is the right time to put your money and stay investment for the next 2-3 years and see your property price giving you handsome returns.

Pros:

- *Well connected by road network*
- *Cool and green environment*
- *Famous for annual village festival in Maharashtra*

Cons:

- *No rail connection*

Murbad is a city 58 kms from the nearest developed city of Thane. It is cool round the year as it is at a height from sealevel, making it cooler. The roads are well maintained. The Maharashtra Govt's thrust on this area has made it a very good bet from the investment point. There is proposal to have Murbad Railway Station which will be a reality any time now. Also it is proposed to have the State Highway lane 4 way from the current 2 lane.

Pros:

- *Cool climate round the year*
- *Good roads*

Cons:

- *Not connected by Rail network*
