Locality Reviews

Hennur Road area, Bangalore

Hennur Road is a very good and Reputed locality in Bangalore North.

There are lots of Apartments built by the famous builders of Bangalore like Mantri Group, Salarpuria Group etc. There are all reputed schools and colleges like St.Michael school, Legacy school, Indian Academy college. It is having Best Restaurants and Hotels also located in Hennur road. Hospitals, Medicals, are also well developed.

Pros:

- *Having Tarr roads and Street lights*
- *Good Location*

Hennur road being on North Bangalore, all activities and happenings are focused on North Bangalore. Its the alternative road to the kempegowda international airport.The real estate boom and property appreciation in this area has recorded the highest. Brand image of being the most peaceful place in Bangalore.

Pros:

- *Densily populated*
- *Prime location*

Hennur road is one of the fastest growing areas in Bangalore and within 3 years the area will be well developed. The appreciation rate of the area will be 15% a year as estimated by financial advisers. The connectivity to major areas is no concern as the outer ring road is near by which connects all the areas like Indira Nagar , M G road, Hebbal. It is on the route to International airport and the development of KIADB (Karnataka industrial area development board) have land of 6300 acre for hardware and software park, some companies like Wipro, Tyco, Beml etc. companies in the same road. So till now the best place to invest.

Pros:

- *Good connectivity*
- *Many schools and colleges on the main road*
- *World class infrastructure development in the area*
- *Appreciation rate of the area will be 15% a year as estimated by financial advisers*

Hennur Road area is well developed as lots of projects are coming up around this locality. Many educational institutions, hospitals and apartment projects are located around here. It has good connectivity to the Bangalore international Airport. As price of land in the locality has risen up from past over the years it has very good appreciation on the price value.

Pros:

- *Good connectivity*
