## Project Reviews

Gillco Valley

Gillco Valley is a very nice and beautiful project. Best in safety and it have well connectivity to all the nearby areas.

### Pros:

- Well maintained
- Secured area

Gillco Valley is a project which is really disappointed by the services and atmosphere I am getting here. Services are too bad. Maintenance charges are high. Well these are not not big issues. Gillco officials never show concern to your problems after you buy flat. They are also doing fraud . They collected unnecessary service tax from me. When I contacted them they denied to give it back to me. Well this society is not safe for children as well. Day back my 1 year old kid got electricity shock in park of towers.

### Cons:

- Bad material quality used
- kids are unsafe
